Hi Sonja

Yes, I apologize for not including the others. They are all associated with this case. At this time, however, we are not bringing charges for Poss A.

I don't have any scheduling conflicts with November 20th as of now.

I do have a question regarding the lab number (or numbers), though. I looked up [REDACTED] and saw [REDACTED] listed as the defendant for that number as well as [REDACTED]. Are the other three numbers part of the case? Thanks.
